**Clerk of the Superior Court**  
**Clerk of Court Announces On-line Jury Questionnaire**  
**April 21, 2008**

Every 6 months the Clerk of Superior Court mails out approximately 10,000 questionnaires to potential jurors in Apache County. Recipients are then required to complete the questionnaire and mail it back in to the jury commissioner's office. Now with the use of computer technology, potential jurors may choose the option to complete their questionnaire on a secure website.

Clerk of Superior Court and Jury Commissioner Sue Hall states, "A new batch of questionnaires will hit mailboxes around the county the 1<sup>st</sup> week of June 2008. We're encouraging the public to complete the questionnaire on-line. Every questionnaire that is mailed in is a postage return expense to the taxpayers. High use of this new feature has the potential of saving money for the taxpayer and the county. We are optimistic that there will be few glitches; however we also welcome the public's feedback and patience as we undertake this new process."

The website address is: <https://apachejury.az.gov>. Completion of the questionnaire will require the potential juror's date of birth and identification number which is listed on the mailed jury questionnaire.
