3. Nomination petitions

- The candidate must file at least the minimum number of signatures required for the office sought and no more than the maximum number. If there are too few, the secretary of State cannot accept the nomination papers.
- Check to see that the circulator portion of each petition is complete:
- Did the circulator print his or her name, residence address, city or town, and county on the back of each petition?
- Did the circulator sign the back of each petition?
- Check to see that the signature portion of each petition is complete:
- Is there a date for each signature?
- Is there an actual residence address including city or town, or a description of the residence location, for each signature?

4. Statement of Organization OR \$500 Threshold Exemption Statement

If it has not already been filed, a Statement of Organization registering the *candidate's campaign committee* OR a \$500 Threshold Exemption Statement must be filed at the time of filing nomination papers or the other documents cannot be accepted. If the candidate has an exploratory committee open at the time of filing then the candidate, chairman and treasurer must file an amended Statement of Organization to change the committee to a candidate's campaign committee. Optional Paperwork – Statement on Recall: This is an optional form that federal candidates may file.
