

MOVING WITH ROUND VALLEY PUBLIC LIBRARY

The Round Valley Public Library is temporarily closed as they prepare for opening in their new building located at 179 S. Main Street in Eagar. **The projected opening date is June 1st.**

The public is going to love this new building. It is beautiful on the outside and in. The staff is so excited about the accommodations, and we know the patrons will be also. The library has come a long way from being located in one room, to the strip mall, and now in a building designed and built as a library with input from the community.

We apologize for the quick closing, but we must be out of the current building, and do any clean up, by May 31st. In the interim, your library cards are good at Alpine Public Library and the Greer Memorial Library as well as any other library in the county. If you have books to return, we ask that you wait until May 18th to return those and then please put them in the new drive-up book drop located on the northeast corner of the new library building. No fines will be charged during this time.

We appreciate your patience during this close and move. Thank you for continued support of the county libraries.

A big THANK YOU to all of the volunteers that have and are helping with the move, as well as all those that have helped with the moves in the other libraries.
