For Immediate Release

Apache County Republicans may have received incorrect JP races on early ballots.

Apache County recently mailed out approximately 14,000 early ballots for the primary election. However, 1,568 Republican early voters in the Puerco and St. Johns Justice of the Peace districts received a ballot with an error. These ballots have the Chinle Justice of the Peace and Constable races on them instead of the correct races. Apache County is working feverishly with our printing company to get replacement ballots mailed to the affected voters. We expect to have replacement ballots in the mail before the end of the week.
