## Permanent Early Voting List Request

Dear Apache County Voter:

Any registered voter may request to be included on the “Permanent Early Voting List (PEVL)”. When on PEVL, you will automatically receive an early ballot by mail, for which you are eligible to participate in. In order to be included on the “Permanent Early Voting List” the voter must make a written request specifically asking that their name be added to the permanent list. The request must include the voter’s name, a physical home address, a mailing address within the state of Arizona, your date of birth and your signature.

The voter will remain on this list until the voter’s registration is cancelled, moved to inactive status, or until the voter requests in writing to be removed from the list. Removal request must include: Voters name physical home address, date of birth and Signature. A voter’s failure to vote and return and early ballots does not remove the voter from the permanent early voting list.

Eligible voters added to the “Permanent Early Voting List”, will receive a notice, not less than ninety (90) days prior to any election in March or September. The notice will include the dates of the elections that the notice is regarding, the dates that the voter’s ballot is expected to be mailed (26 days prior to any given election) and the address where the ballot will be mailed to. The notice will also include a means for the voter to: change their mailing address, update their residence address, and/or allow for the voter to request that a ballot not be sent for the upcoming election or elections indicated on the notice. If the election is a partisan (political party specific) open primary election and the voter is not registered as a member of the political parties participating in that election, the notice will include information on how to select a political party.
