The Monsoons Have Arrived!

Springerville, AZ—July, 16, 2018 –The monsoons have arrived on the White Mountain’s. All fire restrictions on the Apache-Sitgreaves National Forests are lifted and closures have been rescinded, effective Monday, July 17, 2018 at 3:00p.m. Even though the fire restriction are lifted you still need to be responsible and make sure your campfires are dead out if left unattended.

We would like to again thank all of our visitors for being patient, understanding, and obeying the restrictions and closures during our drought conditions.
