County Fire Restrictions are Lifted!

Apache County is experiencing the monsoon season. As of Monday, July 16, 2018 at 3 PM, it was decided that there has been enough precipitation to lift all fire restrictions in the unincorporated areas of Apache County. We do encourage everyone to still be aware of their surroundings and make responsible decisions about campfires and other open flames.

With the continuing drought conditions we are experiencing, it has been a long and dangerous fire season. We appreciate the patience and compliance of our residents and visitors which helped to keep us all safe from wildfire.
